Queries in Govt Ors
dated 25/4/95 No 18238 / L.773-94

(1) What is the necessity for the retention of the Bungalo at Hemesani as a III Class Travellers Bungalo. & whether the retention of the only one servant is not enough for it?

One Toti + sweeper combined, say on 5 Rs. will suffice, I think. The Bungalo is seldom used now
13/6

(2) Govt are not prepared to sanction the employment of a Kotwal at Gudda, as such servants are not allowed in Mussafirkhanas where no fees are levied for halts made by travellers & the Dy Coms is requested to state whether the requirements of travellers for cart bullocks & supplies may not be entrusted to the village servants

P.T.O

(1) The resolution of the D.F Board approving of the maintenance of the Bungalo at Hemesan as a III Class Travellers Bungalo is submitted

The Dy Coms recommends the employment of a Toti and a Sweeper on the ground that one does not do the duty of the other

orders are solicited on this point.

(2) Shanbhoge does not reside in this village and Patel has no house in the Dakhala village, which is on the road side. Even if the latter should have a house, the services of a Kotwal are necessary in this place so long as Arsikere continues to be a Railway station for many a head European travellers for Hassan.

Orders are solicited as to

whether Kotwal may be allowed to a Chowkidarkhana, ~~where~~ and thereby create an inconvenient precedent.

Under the circumstances represented by the Collector, the retention of both the Surveyor and Tali in the Travellers Bungalow at Umrasan is sanctioned.

The employment of a Kotwal at Dudka is sanctioned for another year ~~from~~ w.e.f. 30 June 1876 by which time it is hoped the Patels' house will be constructed and the Patel will be able to attend to the Government Travellers for himself.

SIR,

With reference to Government Proceedings No. 15688-9 dated 26th March last. D. F. 73-94 enquiring under what authority the buildings at Marakalli, Dundigankalli, Kole Narsipur and Arkalgud were classed as 3d class Travellers' Bungalows in the printed list issued in 1890, I have the honor to inform you that the entry of Marakalli and Dundigankalli in the printed list of 1890 as 3d class Travellers' Bungalows was apparently a mistake as they were entered in Chief Commissioner's Notification of 29th May 1877 as 2d class, and there appears to be no authority for the change. The other two Bungalows are not entered

in

in that Notification or in G.O. No. 1206 of 7 August 1877, either as 2d or 3d Class. They were entered as 3d Class in the printed list according to information received from the Executive Engineer.—

I have the honor to be,
Sir

Travellers' Bungalow, there appears no authority for reducing the same into the III class they will be removed from the list of 3rd class Travellers Bungalows & will accordingly cease to be maintained by the Dept. from 1891.

(2) With regard to the Bungalow at Hole Narsipur and Arkalgud. Since these names are not found in the Notification dated 7-7-20 either as 2nd or 3rd class & since they were entered as 3rd class in the printed list according to the information supplied by the Executive Engineer the Dy Com Hassan is requested to consult the L.G. Board as to whether they are willing to maintain them as III class bungalows for the benefit of the travelling public & report the matter early to Govt.

If they are being maintained by the D.B. Board why the he ask them if they are willing to maintain. I don't see the point. They have come to the Govt. J.M.

The draft is amended according to the Govt Secy's orders noted on the Chief Engineer's letter dy 3/7/18. The Dy Coms recorded them as III class as he was misled by the Chief Engineer's list, which is now stated to be wrong. Chudegunda & Kellimahalli were also recorded as III class by the Dy Coms. by mistake. J.M. 18/7
